Dear Student,

Suryadatta Education Foundation was established in the year 1999, with an aim to develop self motivated leaders who are able to make a mark in the challenging and vibrant economy. Suryadatta has been ranked as an 'A' Category Top 50 Group of Institutions in India for 18 consecutively years by Leading National Surveys.

Suryadatta has students not only from across the country but also across the globe who are pursuing higher education in different streams at the various Suryadatta Institutions. So far, 60,000 students have completed their Bachelors, Post Graduate Masters Degree Courses, from the various Institutes of Suryadatta in the field of Business Management, Information Technology, Hotel Management and many more.

Suryadatta International Institute of Cyber Security (SIICS) has been established to offer courses in the specialized field of Cyber Security & Digital Science, which shall equip you with the knowledge and skills required to protect the cyber infrastructure of the nation and the mankind at large, prevent cyber- attacks of all kinds and mitigate the risks and the fallout of cyber - attacks.

SIICS has established robust connect with the industry, entrepreneurs, policy makers and the professionals in this arena. The Cyber Advisory Council at SIICS comprises academicians, industry professionals, IT administrators, entrepreneurs, policy makers and bureaucrats with expertise in this area.
